

STAFF REPORT

Discussion and Direction Regarding Letter of Support for “Transportation for Livable Cities” Grant Application

Honorable Mayor and Council

At your last meeting, the City Council agreed to participate in a multi-jurisdictional grant application to the Metropolitan Transportation Commission (MTC). If awarded by the MTC, the Transportation for Livable Cities (“TLC”) planning grant would be used to plan street and other improvements around the CalTrain stations in Belmont, San Carlos and Redwood City. As the lead applicant, the San Mateo County Transit District has requested a letter of support from the City Council to include with the application. The Council is requested to review, amend as appropriate and endorse the attached draft letter of support.

Financial Impact

None
