

Department of Public Works

Inter-Office Memorandum

Date: March 3, 2005

To: Mayor and City Council

From: Ray Davis, Public Works Director

Via: Dan Rich, Interim City Manager

Subject: Special Presentation by the City of San Mateo on Bay Meadows Development Proposal

The City of San Mateo will be making a special presentation at the March 8th City Council meeting on the proposed Bay Meadows Development and the potential impacts the development may have on the City of Belmont.

Larry Patterson, Public Works Director for the City of San Mateo, and Gary Black, the traffic consultant retained by the City, will be making a brief PowerPoint presentation on the project and then will be available for any questions or comments.

Council was previously provided a memo by staff on the Bay Meadows EIR with a review of traffic impacts on Belmont. If you would like another copy, please let staff know.
