CONSIDERATION OF RESOLUTION OF CITY OF BELMONT AUTHORIZING THE EXECUTION AND DELIVERY OF AN INSTALLMENT PURCHASE AGREEMENT, A NOTICE OF SALE AND AN OFFICIAL STATEMENT AND AUTHORIZING CERTAIN RELATED MATTERS AND RESOLUTION OF BELMONT JOINT POWERS FINANCING AUTHORITY AUTHORIZING THE EXECUTION AND DELIVERY OF AN INDENTURE, AN INSTALLMENT PURCHASE AGREEMENT, A NOTICE OF SALE AND AN OFFICIAL STATEMENT AND AUTHORIZING CERTAIN RELATED MATTERS

Honorable Mayor and Council Members:

Summary

Approval of the attached resolutions will: (1) authorize officers of the City to provide for the marketing of the bonds by the Authority by competitive sale through the use of an Official Statement, award the bid to the bidder providing the lowest true interest cost, execute an Installment Purchase Agreement and Indenture and take other actions necessary to close the bond issue; and (2) authorize the Authority to execute the Indenture and the Installment Purchase Agreement, and market the bonds through the delivery of a Notice of Sale and a Preliminary Official Statement.

This report should be considered a supplement to the staff report prepared on this topic at the January 10th meeting.

There is a companion action for this matter on the Belmont Public Financing Authority agenda.

Background and Discussion

At the January 10th meeting of the City Council, consideration of this matter was postponed to allow for further review by members of the proposed capital improvements and the conclusions of the rate consultant engaged by the City to propose rates and charges for the sewer system.

A companion report has been prepared for the Belmont Public Financing Authority and includes information updating the Authority Board on these matters and recent developments since that meeting. That information is included by reference herein to this report.

Included with this staff report is a revised resolution reflecting the current calendar of events that authorizes the execution and delivery of an installment purchase agreement, a notice of sale and an official statement and authorizing certain related matters. These documents have prepared by Stradling Yocca Carlson & Rauth, bond and disclosure counsel and Fieldman, Rolapp &

Associates, financial advisor. As stated in the companion report on this matter, the balance of the documents prepared by the finance team, including the Installment Purchase Agreement, Indenture and Preliminary Official Statement, remain unchanged from the materials included in the City Council's January 10th packet. Those materials have not been reproduced due to their size and staff recommends the City Council bring those materials to the meeting should they determine it necessary.

The revised calendar now calls for the City and the Authority intention to sell the bonds by competitive sale on February 15, 2006. With that sale date, the City and the Authority will receive proceeds of the bonds on March 2, 2006.

Lastly, the Resolutions authorize officials of the City and the Authority to sell the bonds at competitive sale, so long as the principal amount does not exceed \$8 million and the true interest cost on the bonds does not exceed 7%. The bonds currently are sized to have a principal amount of \$7.5 million and the true interest cost is expected to be less than 6%.

Fiscal Impact

Based on preliminary analysis, the cost of the sewer and storm drain capital improvements is approximately \$6.4 million. Assuming a \$7.5 million bond issue, issuance costs will be approximately \$275,000, including underwriter's discount. With a debt service reserve fund of \$480,000 and approximately \$325,000 of capitalized interest (through February 1, 2007), the net amount is approximately \$6,420,000. The financial advisor's estimate of annual debt service is approximately \$475,000 per year for the 30 year term. These amounts are consistent with the FY 2006 Budget assumptions.

Public Contact

The matter has been noticed through posting of the City Council agenda.

Recommendation

Adopt the Finance Commission and City Treasurer's recommendation. Approve resolution authorizing the bond issue.

Alternatives

1. With direction, refer the matter back to the Finance Commission for further study.
