RESOLUTION AUTHORIZING AND APPROVING THE BORROWING OF FUNDS FOR FISCAL YEAR 2007-2008; THE ENTERING INTO AN AMENDED AND RESTATED JOINT EXERCISE OF POWERS AGREEMENT; THE ISSUANCE AND SALE OF A 2007-2008 TAX AND REVENUE ANTICIPATION NOTE THEREFORE AND PARTICIPATION IN THE CALIFORNIA COMMUNITIES CASH FLOW FINANCING PROGRAM

Honorable President and Board Members:

Summary

During the week of May 14th, staff received a notification from the bond counsel firm of Orrick that execution of an additional resolution is required from the Belmont Fire Protection District Board of Directors to implement the Tax Revenue Anticipation Note (TRANs) financing. The attached resolution authorizes the TRANs borrowing in an amount not-to-exceed \$1,500,000, various financing documentation, including a Joint Powers Agreement (JPA) for the California Statewide Communities Development Authority, purchase agreement and trust agreement, and the designation of certain officials to effectuate the borrowing.

Staff recommends adoption of the resolution.

Background

At your May 8th meeting, the Board approved Resolution No. 2007-5 authorizing participation in the California Communities JPA, which is a statewide financing program jointly sponsored by the California State Association of Counties and the League of California Cities, and the issuance of a TRANs not to exceed \$1,500,000.

As discussed in the May 8th staff report, a copy of which is attached, the timing between the District's funding from property taxes and the Department's monthly operational needs causes temporary cash flow deficits. To cover the deficit, the District has borrowed monies from City's pooled funds in anticipation of receiving property taxes. The purpose of the temporary borrowing is to increase available cash balances which provide operating funds to cover the cash flow shortfalls.

The advantages of participating in the statewide TRANs program, rather than the City's pooled fund, an individual financing or another pooled TRANs, are many. The interest rates are competitive and the costs are lower because they are shared by the other participating cities,

counties and special districts. There is standardized documentation and credit criteria employed in the financing, as well as a streamlined issuance process. The statewide program also offers the District the option of issuing TRANs which mature in 12 or 13 months dated July 2, 2007 and due no later than August 2, 2008. The District will determine the maturity of the TRANs depending on market conditions in June 2007, but the 12 month option is anticipated so there is no overlapping debt. Even if the District issues 13 month TRANs, the District will be able to issue another 12 or 13 month TRANs in July, 2008. Finally, there is the ability to obtain the highest credit rating on the financing with the availability of insurance.

Discussion

Last week, bond counsel informed the District an additional resolution was required to implement the TRANs financing. The attached resolution authorizes the TRANs borrowing, entering into a Joint Powers Agreement (which they refer to as the amended and restated Joint Exercise of Powers Agreement), execution of the issuance and sale of a 2007-2008 Tax and Revenue Anticipation Note, participation in the California Communities Cash Flow Financing program, designates the City Treasurer, City Manager and Finance Director to execute the note (the form of which is included in the resolution), appoints Orrick, Herrington & Sutcliffe as bond counsel to the District (Orrick is a national law firm which specializes in municipal bond law) and establishes the trust agreement to effectuate the borrowing. In addition to the resolution, staff has attached the Amended and Restated Joint Exercise of Powers Agreement Relating to the California Statewide Communities Development Authority.

The California Communities Cash Flow Financing Program facilitates the issuance of the TRANs obligations for all of the governmental entities that participate in the program. The attached resolution also states that the TRANs is approved under the IRS small debt issuance provisions, which is limited to \$5 million. Please be advised that this \$5 million is different from the \$1.5 million and represents the Internal Revenue code cap on this type of borrowing.

Once the final pricing for the TRANs occurs, the Note Participation Purchase Agreement and Trust Agreement will be executed. Drafts of those documents are on file in the Finance Director's Office.

The Directors should be advised that the District's attorney has reviewed all of these documents for legal conformity.

Fiscal Impact

For purposes of completing the California Communities TRANS application, the resolution attached authorizes the issuance of up to \$1,500,000 in TRANs. The actual size of the issue is based on the District's anticipated cash flow needs and will be calculated prior to finalizing the program which is expected in June. It is expected to be less than the authorized amount of \$1,500,000.

The May 8th staff report and Council Q&A provides further details on the fiscal impact of the

TRANs.

WHEREAS, the District hereby determines to borrow, for the purposes set forth above, the Principal Amount by the issuance of the Note, as hereinafter defined; and,

WHEREAS, it appears, and this Board hereby finds and determines, that the Principal Amount, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys of the District attributable to the Repayment Fiscal Year, and available for the payment of the principal of the Note and the interest thereon; and,

WHEREAS, no money has heretofore been borrowed by or on behalf of the District through the issuance of tax and revenue anticipation notes or temporary notes in anticipation of the receipt of, or payable from or secured by, taxes, income, revenue, cash receipts or other moneys for the Repayment Fiscal Year; and,

WHEREAS, pursuant to Section 53856 of the Act, certain moneys which will be received by the District during and attributable to the Repayment Fiscal Year can be pledged for the payment of the principal of the Note and the interest thereon (as hereinafter provided); and,

WHEREAS, the District desires to have its Note marketed together with some or all of the notes issued by the Issuers participating in the Program; and,

WHEREAS, the California Statewide Communities Development Authority (the “Authority”) has sponsored the Program and, on behalf of the Issuers, has engaged RBC Capital Markets, as financial advisor to the participating Issuers (the “Financial Advisor”), together with the underwriter appointed in Section 21 hereof (the “Underwriter”), for the purpose of structuring one or more pools of notes or series of note participations (referred to herein as the “Note Participations”, the “Series” and/or the “Series of Note Participations”) distinguished by whether and what type(s) of Credit Instrument (as hereinafter defined) secures notes comprising each Series, by the principal amounts of the notes assigned to the Series, by whether interest on the Series of Note Participations is a fixed rate of interest or a variable rate of interest swapped to a fixed rate, by whether interest on the Series of Note Participations is includable in gross income for federal income tax purposes, or by other factors, all of which the District hereby authorizes the Financial Advisor to determine; and,

WHEREAS, the District desires to have the Trustee execute and deliver a Series of Note Participations which evidence and represent interests of the Owners thereof in the Note and the Notes issued by other Issuers in such Series; and,

WHEREAS, as additional security for the owners of the Note Participations, all or a portion of the payments by all of the Issuers of their respective notes may or may not be secured either by an irrevocable letter (or letters) of credit or policy (or policies) of insurance or other credit instrument (or instruments) (collectively, the “Credit Instrument”) issued by the credit provider or credit providers designated in the Trust Agreement, as finally executed (collectively, the “Credit Provider”), which may be issued pursuant to a credit agreement or agreements or commitment letter or letters designated in the Trust Agreement (collectively, the “Credit Agreement”) between the Issuers and the respective Credit Provider; and,

State of California, as now in effect and as hereafter amended, modified or supplemented from time to time; and,

WHEREAS, the Program requires that each participating Issuer approve the Trust Agreement and the alternative Credit Instruments, if any, in substantially the forms presented to the Board, or, in the case of the Credit Instruments, if any, if not presented, in a form which complies with such requirements and standards as may be determined by the Board, with the final form and type of Credit Instrument and corresponding Credit Agreement, if any, determined upon execution of the Pricing Confirmation by the Authorized Representative; and,

WHEREAS, pursuant to the Program each participating Issuer will be responsible for its share of (a) the fees of the Trustee and the costs of issuing the applicable Series of Note Participations, and (b), if applicable, the fees of the Credit Provider, the Issuer's allocable share of all Predefault Obligations and the Issuer's Reimbursement Obligations, if any (each as defined in the Trust Agreement); and,

WHEREAS, pursuant to the Program, the Note and the Notes issued by other Issuers participating in the same Series (all as evidenced and represented by a Series of Note Participations) will be offered for sale through negotiation with the Underwriter pursuant to the terms and provisions of a purchase agreement, which shall be in substantially the same form as the purchase agreement presented to this meeting (the "Purchase Agreement"); and,

WHEREAS, the Trust Agreement provides, among other things, that for the benefit of Owners of Note Participations and the Credit Provider, if any, the District shall provide notices of the occurrence of certain enumerated events, if deemed by the District to be material; and,

WHEREAS, there is now before the Board a form of the Amended Agreement; and,

WHEREAS, this Board, following careful review and consideration, hereby determines that it is in the public interest and for the public benefit of the District to enter into and authorize the execution of the Amended Agreement; and,

NOW, THEREFORE, BE IT RESOLVED that the Belmont Fire Protection District hereby

finds, determines, declares and resolves as follows:

Section 1. Recitals. All the above recitals are true and correct.

Section 2. Authorization of Issuance. This Board hereby determines to borrow solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to be received by the District for the general fund of the District attributable to the Repayment Fiscal Year, by the issuance of a note or notes, pursuant to the provisions of Sections 53850 *et seq.* of the Act, designated the District's "2007 Tax and Revenue Anticipation Note," with an appropriate series designation if more than one note is issued (collectively, the "Note"), to be issued in the form of a fully registered note or notes in the Principal Amount thereof, to be dated the date of its delivery to the initial purchaser thereof, to mature (without option of prior redemption) not more than 13 months thereafter on a date indicated on the face thereof and determined in the Pricing Confirmation (the "Maturity Date"), and to bear interest, payable on its Maturity Date (and if the Maturity Date is more than 12 months from the date of issuance, payable on the interim interest payment date set forth in the Pricing Confirmation) and computed upon the basis of a 360-day year consisting of twelve 30-day months, or a 365 or 366 day year, as the case may be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed 12% per annum as determined in the Pricing Confirmation and indicated on the face of the Note (the "Note Rate"). If the Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument or such Credit Instrument secures the Note in whole or in part and all principal of and interest on the Note is not paid in full at maturity or if payment of principal and/or interest on the Note is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw or claim is not fully reimbursed on such date, such Note shall become a Defaulted Note (as defined in the Trust Agreement), and the unpaid portion thereof (including the interest component, if applicable) thereof (or the portion (including the interest component, if applicable) thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Trust Agreement). If the Note as evidenced and represented by the Series of Note Participations is unsecured in whole or in part and the Note is not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Note or unpaid Note shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year, as provided in Section 8 hereof. The percentage of the Note as evidenced and represented by the Series of Note Participations to which a Credit Instrument, if any, applies (the "Secured Percentage") shall be equal to the amount of the Credit Instrument divided by the aggregate amount of unpaid principal of and interest on notes (or portions thereof) of all Issuers of Notes comprising such Series of Note Participations, expressed as a percentage (but not greater than 100%) as of the maturity date.

Section 3. Both the principal of and interest on the Note shall be payable in lawful money of the United States of America.

The Note shall be issued in conjunction with the note or notes of one or more other Issuers as part of the Program and within the meaning of Section 53853 of the Act.

Anything in this Resolution to the contrary notwithstanding, the Pricing Confirmation (defined below) may specify that a portion of the authorized Principal Amount of the Note shall be issued as a taxable Note the interest on which is includable in the gross income of the holder thereof for federal income tax purposes (a "Taxable Note"). In such event, the Taxable Note shall be issued with an appropriate series designation and other terms reflecting such taxability of interest income, including without limitation, a taxable Note Rate and a taxable Default Rate; the term Note, and other terms as appropriate, shall be deemed to include or refer to such Taxable Note; and the agreements, covenants and provisions set forth in this Resolution to be performed by or on behalf of the District shall be for the equal and proportionate benefit, security and protection of the holder of any Note without preference, priority or distinction as to security or otherwise of any Note over and other Note.

Section 4. Form of Note. The Note shall be issued in fully registered form without coupons and shall be substantially in the form and substance set forth in Exhibit A, as attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures to be inserted or determined at closing.

Section 5. Sale of Note; Delegation. The Note Participations (which evidence an interest in the Note which shall be delivered to the Trustee) shall be sold to the Underwriter pursuant to the terms and provisions of the Purchase Agreement. The form of the Purchase Agreement, including the form of the Pricing Confirmation set forth as an Exhibit thereto (the "Pricing Confirmation"), presented to this meeting is hereby approved. The authorized representatives set forth in Section 22 hereof (the "Authorized Representatives") are each hereby authorized and directed to execute and deliver the Purchase Agreement in substantially said form, with such changes thereto as such Authorized Representative shall approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; *provided, however*, that the Note Rate shall not exceed 12% per annum, and that the District's *pro rata* share of Underwriter's discount on the Note, when added to the District's share of the costs of issuance of the Note Participations, shall not exceed 1.0% of the Principal Amount of the Note and the Principal Amount shall not exceed the Maximum Amount of Borrowing. Delivery of an executed copy of the Pricing Confirmation by fax or telecopy shall be deemed effective execution and delivery for all purposes.

Section 6. Program Approval. The Note shall be combined with notes of other Issuers into a Series as set forth in the Preliminary Official Statement, hereinafter mentioned, and shall be sold simultaneously with such other notes of that Series supported by the Credit Instrument (if any) referred to in the Pricing Confirmation, and shall be evidenced and represented by the Note Participations which shall evidence and represent proportionate, undivided interests in the Note in the proportion that the face amount of the Note bears to the

Section 7. Total aggregate face amount of the Note and the notes issued by other Issuers which the Series of Note Participations represent. Such Note Participations may be delivered in book-entry form.

The forms of Trust Agreement and alternative general types and forms of Credit Agreements, if any, presented to this meeting are hereby approved, and the Authorized Representative is hereby authorized and directed to execute and deliver the Trust Agreement and a Credit Agreement, if applicable, which shall be identified in the Pricing Confirmation, in substantially one or more of said forms (a substantially final form of Credit Agreement to be delivered to the Authorized Representative following the execution by the Authorized Representative of the Pricing Confirmation), with such changes therein as said officer shall require or approve, such approval of this Board and such officer to be conclusively evidenced by the execution of the Trust Agreement and the Credit Agreement, if any. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement. The Authorized Representative is hereby authorized and directed to comply with and carry out all of the provisions of the Trust Agreement with respect to continuing disclosure; *provided however*, that failure of the District to comply with the Continuing Disclosure Agreement, as defined in Article 11 of the Trust Agreement, shall not be considered an Event of Default hereunder. Any Credit Agreement identified in the Pricing Confirmation but not at this time before the Board shall include reasonable and customary terms and provisions relating to fees, increased costs of the Credit Provider payable by the District, negative and affirmation covenants of the District and events of default. The form of the Preliminary Official Statement presented to this meeting is hereby approved, and the Financial Advisor and the Underwriter are hereby authorized and directed to cause to be mailed to prospective bidders the Preliminary Official Statement in connection with the offering and sale of the Note Participations.

Any one of the Authorized Representatives of the District is hereby authorized and directed to provide the Financial Advisor and the Underwriter with such information relating to the District as they shall reasonably request for inclusion in the Preliminary Official Statement and Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement is, except for certain omissions permitted by Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), hereby deemed final within the meaning of the Rule; *provided* that no representation is made as to the information contained in the Preliminary Official Statement relating to the other Issuers or any Credit Provider. If, at any time prior to the end of the underwriting period, as defined in the Rule, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Financial Advisor and the Underwriter. The Authority is hereby authorized and directed, at or after the time of the sale of any Series of Certificates, for and in the name and on behalf of the District, to execute a final Official Statement in substantially the form of the Preliminary Official Statement presented to this meeting, with such additions thereto or changes therein as the Authority may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

The Trustee is authorized and directed to execute Note Participations on behalf of the District pursuant to the terms and conditions set forth in the Trust Agreement, in the aggregate principal amount specified in the Trust Agreement, and substantially in the form and otherwise containing the provisions set forth in the form of the Note Participations contained in the Trust Agreement. When so executed, the Note Participations shall be delivered by the Trustee to the purchaser upon payment of the purchase price thereof, pursuant to the terms of the Trust Agreement.

Subject to Section 8 hereof, the District hereby agrees that if the Note as evidenced and represented by the Series of Note Participations shall become a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which full reimbursement on a draw, payment or claim has not been made by the Maturity Date shall be deemed outstanding and shall not be deemed to be paid until (i) any Credit Provider providing a Credit Instrument with respect to the Series of Note Participations, and therefore, if applicable, all or a portion of the District's Note, if any, has been reimbursed for any drawings, payments or claims made under or from the Credit Instrument with respect to the Note, including interest accrued thereon, as provided therein and in the applicable Credit Agreement, and, (ii) the holders of the Series of the Note Participations which evidence and represent the Note are paid the full principal amount represented by the unsecured portion of the Note plus interest accrued thereon (calculated at the Default Rate) to the date of deposit of such aggregate required amount with the Trustee. For purposes of clause (ii) of the preceding sentence, holders of the Series of Note Participations will be deemed to have received such principal amount upon deposit of such moneys with the Trustee.

The District agrees to pay or cause to be paid, in addition to the amounts payable under the Note, any fees or expenses of the Trustee and, to the extent permitted by law, if the District's Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument, any Predefault Obligations and Reimbursement Obligations (to the extent not payable under the Note), (i) arising out of an "Event of Default" hereunder (or pursuant to Section 7 hereof) or (ii) arising out of any other event (other than an event arising solely as a result of or otherwise attributable to a default by any other Issuer). In the case described in (ii) above with respect to Predefault Obligations, the District shall owe only the percentage of such fees, expenses and Predefault Obligations equal to the ratio of the principal amount of its Note over the aggregate principal amounts of all notes, including the Note, of the Series of which the Note is a part, at the time of original issuance of such Series. Such additional amounts will be paid by the District within twenty-five (25) days of receipt by the District of a bill therefor from the Trustee.

Section 8. No Joint Obligation; Owners' Rights. The Note shall be marketed and sold simultaneously with the notes of other Issuers and shall be aggregated and combined with notes of other Issuers participating in the Program into a Series of Note Participations evidencing and representing an interest in several, and not joint, obligations of each Issuer. The obligation of the District to Owners is a several and not a joint obligation and is strictly limited to

Section 9. the District's repayment obligation under this Resolution and the Note, as evidenced and represented by such Series of Note Participations.

Owners of Note Participations, to the extent of their interest in the Note, and the Credit Provider, if any, shall be treated as owners of the Note and shall be entitled to all the rights and security thereof in accordance with the Trust Agreement; including the right to enforce the obligations and covenants contained in this Resolution and the Note. The District hereby recognizes the right of the Owners and the Credit Provider, if any, acting directly or through the Trustee to enforce the obligations and covenants contained in the Note, this Resolution and the Trust Agreement. The District shall be directly obligated to each Owner for the principal and interest payments on the Note evidenced and represented by the Note Participations without any right of counterclaim or offset arising out of any act or failure to act on the part of the Trustee.

Section 10. Disposition of Proceeds of Note. The moneys received from the sale of the Note allocable to the District's share of the costs of issuance (which shall include any issuance fees in connection with a Credit Instrument applicable to the Note, if any) shall be deposited in the Costs of Issuance Fund held and invested by the Trustee under the Trust Agreement and expended on costs of issuance as provided in the Trust Agreement. The moneys received from the sale of the Note (net of the District's share of the costs of issuance) shall be deposited in the District's Proceeds Subaccount within the Proceeds Fund hereby authorized to be created pursuant to, and held and invested by the Trustee under, the Trust Agreement for the District and said moneys may be used and expended by the District for any purpose for which it is authorized to expend funds upon requisition from the Proceeds Subaccount as specified in the Trust Agreement. Amounts in the Proceeds Subaccount are hereby pledged to the payment of the Note.

The Trustee will not create subaccounts within the Proceeds Fund, but will keep records to account separately for proceeds of the Note Participations allocable to the District's Note on deposit in the Proceeds Fund which shall constitute the District's Proceeds Subaccount.

Section 11. Source of Payment. The principal amount of the Note, together with the interest thereon, shall be payable from taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys which are received or held by the District for the general fund of the District and are attributable to the Repayment Fiscal Year and which are available for payment thereof. As security for the payment of the principal of and interest on the Note, the District hereby pledges certain Unrestricted Revenues (as hereinafter provided, the "Pledged Revenues") which are received or held by the District for the general fund of the District and are attributable to the Repayment Fiscal Year, and the principal of the Note and the interest thereon shall constitute a first lien and charge thereon and shall be payable from the first moneys received by the District from such Pledged Revenues, and, to the extent not so paid, shall be paid from any other taxes, income, revenue, cash receipts and other moneys of the District lawfully available therefor (all as provided for in Sections 53856 and 53857 of the Act). The term "Unrestricted Revenues" shall mean all taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys, intended as receipts for the general fund of the District attributable to the

Section 12. Repayment Fiscal Year and which are generally available for the payment of current expenses and other obligations of the District. The Noteholders, Owners and Credit Provider shall have a first lien and charge on such Unrestricted Revenues as herein provided which are received or held by the District and are attributable to the Repayment Fiscal Year.

In order to effect the pledge referenced in the preceding paragraph, the District hereby agrees and covenants to establish and maintain a special account within the District's general fund to be designated the "2007 Tax and Revenue Anticipation Note Payment Account" (the "Payment Account") and further agrees and covenants to maintain the Payment Account until the payment of the principal of the Note and the interest thereon. Notwithstanding the foregoing, if the District elects to have Note proceeds invested in Permitted Investments to be held by the Trustee pursuant to the Pricing Confirmation, a subaccount of the Payment Account (the "Payment Subaccount") shall be established for the District under the Trust Agreement and proceeds credited to such account shall be pledged to the payment of the Note. The Trustee need not create a subaccount, but may keep a record to account separately for proceeds of the Note so held and invested by the Trustee which record shall constitute the District's Proceeds Subaccount. Transfers from the Payment Subaccount shall be made in accordance with the Trust Agreement. The District agrees to transfer to and deposit in the Payment Account the first amounts received in the months specified in the Pricing Confirmation as Repayment Months (each individual month a "Repayment Month" and collectively "Repayment Months") (and any amounts received thereafter attributable to Repayment Fiscal Year) until the amount on deposit in the Payment Account, together with the amount, if any, on deposit in the Payment Subaccount, and taking into consideration anticipated investment earnings thereon to be received by the Maturity Date, is equal in the respective Repayment Months identified in the Pricing Confirmation to the percentage of the principal and interest due on the Note specified in the Pricing Confirmation. In making such transfer and deposit, the District shall not be required to physically segregate the amounts to be transferred to and deposited in the Payment Account from the District's other general fund moneys, but, notwithstanding any commingling of funds for investment or other purposes, the amounts required to be transferred to and deposited in the Payment Account shall nevertheless be subject to the lien and charge created herein.

Any one of the Authorized Representatives of the District is hereby authorized to approve the determination of the Repayment Months and percentages of the principal and interest due on the Note required to be on deposit in the Payment Account and/or the Payment Subaccount in each Repayment Month, all as specified in the Pricing Confirmation, by executing and delivering the Pricing Confirmation, such execution and delivery to be conclusive evidence of approval by this Board and such Authorized Representative; provided, however, that the maximum number of Repayment Months shall be six and the maximum amount of Pledged Revenues required to be deposited in each Repayment Month shall not exceed fifty percent (50%) of the aggregate principal and interest due on the Note. In the event on the day in each such Repayment Month that a deposit to the Payment Account is required to be made, the District has not received sufficient unrestricted revenues to permit the deposit into the Payment Account of the full amount of Pledged Revenues to be deposited in the Payment Account from said unrestricted

revenues in said month, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the payment of the principal of the Note and the interest thereon, as and when such other moneys are received or are otherwise legally available.

Any moneys placed in the Payment Account or the Payment Subaccount shall be for the benefit of (i) the holder of the Note and the owner of the Note and (ii) (to the extent provided in the Indenture) the Credit Provider, if any. The moneys in the Payment Account and the Payment Subaccount shall be applied only for the purposes for which such Accounts are created until the principal of the Note and all interest thereon are paid or until provision has been made for the payment of the principal of the Note at maturity with interest to maturity (in accordance with the requirements for defeasance of the Note Participations as set forth in the Trust Agreement) and, if applicable, (to the extent provided in the Indenture and, if applicable, the Credit Agreement) the payment of all Predefault Obligations and Reimbursement Obligations owing to the Credit Provider.

The District hereby directs the Trustee to transfer on the Note Payment Deposit Date (as defined in the Trust Agreement), any moneys in the Payment Subaccount to the Note Participation Payment Fund (as defined in the Trust Agreement). In addition, on the Note Payment Deposit Date, the moneys in the Payment Account shall be transferred by the District to the Trustee, to the extent necessary (after crediting any transfer pursuant to the preceding sentence), to pay the principal of and/or interest on the Note, to make payments to a Swap Provider, if any, as defined in the Trust Agreement, pursuant to a Swap Agreement, if any, as defined in the Trust Agreement, or to reimburse the Credit Provider for payments made under or pursuant to the Credit Instrument. In the event that moneys in the Payment Account and/or the Payment Subaccount are insufficient to pay the principal of and interest on the Note in full when due, such moneys shall be applied in the following priority: first to pay interest on the Note; second to pay principal of the Note; third to reimburse the Credit Provider for payment, if any, of interest with respect to the Note; fourth to reimburse the Credit Provider for payment, if any, of principal with respect to the Note; and fifth to pay any Reimbursement Obligations of the District and any of the District's pro rata share of Predefault Obligations owing to the Credit Provider. Any moneys remaining in or accruing to the Payment Account and/or the Payment Subaccount after the principal of the Note and the interest thereon and any Predefault Obligations and Reimbursement Obligations, if applicable, have been paid, or provision for such payment has been made, shall be transferred to the general fund of the District, subject to any other disposition required by the Trust Agreement, or, if applicable, the Credit Agreement. Nothing herein shall be deemed to relieve the District from its obligation to pay its Note in full on the Maturity Date.

Moneys in the Proceeds Subaccount and in the Payment Subaccount shall be invested by the Trustee pursuant to the Trust Agreement as directed by the District in Permitted Investments as described in and under the terms of the Trust Agreement. Any such investment by the Trustee shall be for the account and risk of the District, and the District shall not be deemed to be relieved of any of its obligations with respect to the Note, the Predefault Obligations or Reimbursement Obligations, if any, by reason of such investment of the moneys in its Proceeds Subaccount or the Payment Subaccount.

The District shall promptly file with the Trustee and the Credit Provider, if any, such financial reports at the times and in the forms required by the Trust Agreement. At the written request of the Credit Provider, if any, the District shall, within ten (10) Business Days following the receipt of such written request, file such report or reports to evidence the transfer to and deposit in the Payment Account required by this Section 8 and provide such additional financial information as may be required by the Credit Provider, if any.

Section 13. Execution of Note. Any one of the Authorized Representatives of the District or any other officer designated by the Board shall be authorized to execute the Note by manual or facsimile signature and the Secretary or Clerk of the Board of the District or any duly appointed assistant thereto shall be authorized to countersign the Note by manual or facsimile signature. Said officers of the District are hereby authorized to cause the blank spaces of the Note to be filled in as may be appropriate pursuant to the Pricing Confirmation. Said officers are hereby authorized and directed to cause the Trustee, as registrar and authenticating agent, to accept delivery of the Note pursuant to the terms and conditions of the Purchase Agreement and Trust Agreement. In case any officer whose signature shall appear on any Note shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Note need not bear the seal of the District, if any.

Section 14. Representations and Covenants of the District The District makes the following representations for the benefit of the holder of the note, the owners of the Note Participations and the Credit Provider, if any.

(A) The District is duly organized and existing under and by virtue of the laws of the State of California and has all necessary power and authority to (i) adopt this Resolution and perform its obligations thereunder, (ii) enter into and perform its obligations under the Purchase Agreement, and (iii) issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the District shall have taken all action required to be taken by it to authorize the issuance and delivery of the Note and the performance of its obligations thereunder, and the District has full legal right, power and authority to issue and deliver the Note.

(C) The issuance of the Note, the adoption of the Resolution and the execution and delivery of the Purchase Agreement, Trust Agreement and Credit Agreement, if any, and compliance with the provisions hereof and thereof will not conflict with or violate any law, administrative regulation, court decree, resolution, charter, by-laws or other agreement to which the District is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory authority having jurisdiction over the District required for the issuance and sale of the Note or the consummation by the

(E) District of the other transactions contemplated by this Resolution, except those the District shall obtain or perform prior to or upon the issuance of the Note.

(F) The District has (or will have prior to the issuance of the Note) duly, regularly and properly adopted a preliminary budget for the Repayment Fiscal Year setting forth expected revenues and expenditures and has complied with all statutory and regulatory requirements with respect to the adoption of such budget. The District hereby covenants that it shall (i) duly, regularly and properly prepare and adopt its final budget for the Repayment Fiscal Year, (ii) provide to the Trustee, the Credit Provider, if any, the Financial Advisor and the Underwriter, promptly upon adoption, copies of such final budget and of any subsequent revisions, modifications or amendments thereto and (iii) comply with all applicable laws pertaining to its budget.

(G) The sum of the principal amount of the District's Note plus the interest payable thereon, on the date of its issuance, will not exceed fifty percent (50%) of the estimated amounts of the District's uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys to be received by the District for the general fund of the District attributable to the Repayment Fiscal Year all of which will be legally available to pay principal of and interest on the Note.

(H) The District (i) has not defaulted within the past twenty (20) years, and is not currently in default, on any debt obligation and (ii), to the best knowledge of the District, has never defaulted on any debt obligation.

(I) The District's most recent audited financial statements present fairly the financial condition of the District as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the Financial Advisor and the Underwriter and the Credit Provider, if any, there has been no change in the financial condition of the District since the date of such audited financial statements that will in the reasonable opinion of the District materially impair its ability to perform its obligations under this Resolution and the Note. The District agrees to furnish to the Financial Advisor, the Underwriter, the Authority, the Trustee and the Credit Provider, if any, promptly, from time to time, such information regarding the operations, financial condition and property of the District as such party may reasonably request.

(J) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the District, threatened against or affecting the District questioning the validity of any proceeding taken or to be taken by the District in connection with the Note, the Purchase Agreement, the Indenture, the Credit Agreement, if any, or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the District of any of the foregoing, or wherein an unfavorable decision, ruling or finding would have a materially adverse effect on the District's financial condition or results of operations or on the ability of the District to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability

(K) of, or the authority or ability of the District to perform its obligations under, the Note, the Purchase Agreement, the Trust Agreement, the Credit Agreement, if any, or this Resolution.

(L) Upon issuance of the Note and execution of the Purchase Contract, this Resolution, the Purchase Contract and the Note will constitute legal, valid and binding agreements of the District, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally, the application of equitable principles if equitable remedies are sought, the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against local agencies, as applicable, in the State of California.

(M) The District and its appropriate officials have duly taken, or will take, all proceedings necessary to be taken by them, if any, for the levy, receipt, collection and enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this Resolution and the Note.

(N) The District shall not incur any indebtedness secured by a pledge of its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged Revenues hereunder.

(O) So long as the Credit Provider, if any, is not in payment default under the Credit Instrument, the District hereby agrees to pay its pro rata share of all Predefault Obligations and all Reimbursement Obligations attributable to the District in accordance with provisions of the Credit Agreement, if any, and/or the Trust Agreement, as applicable. Prior to the Maturity Date, moneys in the District's Payment Account and/or Payment Subaccount shall not be used to make such payments. The District shall pay such amounts promptly upon receipt of notice from the Credit Provider that such amounts are due to it.

(P) So long as any Bonds issued in connection with the Notes are Outstanding, or any Predefault Obligation or Reimbursement Obligation is outstanding, the District will not create or suffer to be created any pledge of or lien on the Note other than the pledge and lien of the Trust Agreement.

Section 15. Tax Covenants. The District will not take any action or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Note under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Without limiting the generality of the foregoing, the District will not make any use of the proceeds of the Note or any other funds of the District which would cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, a "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the interest on which is subject to federal income taxation because it is "federally guaranteed" as provided in Section 149(b) of the Code. The District, with respect to the proceeds of the Note, will comply with all requirements of such sections of the Code and all regulations of the United States

Section 16. Department of the Treasury issued or applicable thereunder to the extent that such requirements are, at the time, applicable and in effect.

The District hereby (i) represents that the aggregate face amount of all tax-exempt obligations (including any tax-exempt leases, but excluding private activity bonds), issued and to be issued by the District during calendar year 2007, including the Note, is not reasonably expected to exceed \$5,000,000; **or, in the alternative,** (ii) covenants that the District will take all legally permissible steps necessary to ensure that all of the gross proceeds of the Note will be expended no later than the day that is six months after the date of issuance of the Note so as to satisfy the requirements of Section 148(f)(4)(B) of the Code.

Notwithstanding any other provision of this Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the covenants contained in this Section 11, no one other than the holders or former holders of the Note, the Owners or the Trustee on their behalf shall be entitled to exercise any right or remedy under this Resolution on the basis of the District's failure to observe, or refusal to comply with, such covenants.

The covenants contained in this Section 11 shall survive the payment of the Note.

The provisions of this Section 11 shall not apply to a Taxable Note.

Section 17. Events of Default and Remedies.

If any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Failure by the District to make or cause to be made the transfers and deposits to the Payment Account, or any other payment required to be paid hereunder, including payment of principal and interest on the Note, on or before the date on which such transfer, deposit or other payment is due and payable;

(b) Failure by the District to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Resolution, for a period of fifteen (15) days after written notice, specifying such failure and requesting that it be remedied, is given to the District by the Trustee or the Credit Provider, if applicable, unless the Trustee and the Credit Provider shall agree in writing to an extension of such time prior to its expiration;

(c) Any warranty, representation or other statement by or on behalf of the District contained in this Resolution or the Purchase Agreement (including the Pricing Confirmation) or in any requisition or any financial report delivered by the District or in any instrument furnished in compliance with or in reference to this Resolution or the Purchase Agreement or in connection with the Note, is false or misleading in any material respect;

(d) A petition is filed against the District under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or

(e) liquidation law of any jurisdiction, whether now or hereafter in effect and is not dismissed within 30 days after such filing, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Owners' interests;

(f) The District files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law; or

(g) The District admits insolvency or bankruptcy or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the District or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 30 days, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Owners' interests;

Whenever any Event of Default referred to in this Section 12 shall have happened and be continuing, the Trustee shall, in addition to any other remedies provided herein or by law or under the Trust Agreement, have the right, at its option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Without declaring the Note to be immediately due and payable, require the District to pay to the Trustee, as holder of the Note, an amount equal to the principal of the Note and interest thereon to maturity, plus all other amounts due hereunder, and upon notice to the District the same shall become immediately due and payable by the District without further notice or demand; and

(b) Take whatever other action at law or in equity (except for acceleration of payment on the Note) which may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

Notwithstanding the foregoing, if the District's Note is secured in whole or in part by a Credit Instrument or if the Credit Provider is subrogated to rights under the District's Note, as long as the Credit Provider is not in default of its payment obligations under the Credit Instrument, the Credit Provider shall have the right to direct the remedies upon any Event of Default hereunder, and the Credit Provider's prior consent shall be required to any remedial action proposed to be taken by the Trustee hereunder.

If the Credit Provider is not reimbursed for any drawing, payment or claim, as applicable, used to pay principal of and interest on the Note due to a default in payment on the Note by the District, or if any principal of or interest on the Note remains unpaid after the

Maturity Date, the Note shall be a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been made shall be deemed outstanding and shall bear interest at the Default Rate until the District's obligation on the Defaulted Note is paid in full or payment is duly provided for, all subject to Section 8 hereof.

Section 18. Trustee. The Trustee is hereby appointed as paying agent, registrar and authenticating agent for the Note. The District hereby directs and authorizes the payment by the Trustee of the interest on and principal of the Note when such become due and payable, from the Payment Account held by the Trustee in the name of the District in the manner set forth herein. The District hereby covenants to deposit funds in such account at the time and in the amount specified herein to provide sufficient moneys to pay the principal of and interest on the Note on the day on which it matures. Payment of the Note shall be in accordance with the terms of the Note and this Resolution.

The District hereby agrees to maintain as paying agent, registrar and authenticating agent of the Note, the Trustee under the Trust Agreement.

Section 19. Approval and Execution of Amended Agreement. The Amended Agreement is hereby approved and any one of the Authorized Representatives of the District is hereby authorized and directed to execute the Amended Agreement, with such changes, insertions and omissions as may be approved by such official and the Secretary or Clerk of the District is hereby authorized and directed to attest the same.

Section 20. Approval of Actions. The aforementioned Authorized Representatives of the District are hereby authorized and directed to execute the Note and cause the Trustee to authenticate and accept delivery of the Note, pursuant to the terms and conditions of this Resolution and the Trust Agreement. All actions heretofore taken by the officers and agents of the District or this Board with respect to the sale and issuance of the Note and participation in the Program are hereby approved, confirmed and ratified and the Authorized Representatives and agents of the District are hereby authorized and directed, for and in the name and on behalf of the District, to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Note in accordance with, and related transactions contemplated by, this Resolution. The Authorized Representatives of the District referred to above in Section 4 hereof are hereby designated as "Authorized District Representatives" under the Trust Agreement.

In the event that the Note or a portion thereof is secured by a Credit Instrument, any one of the Authorized Representatives of the District is hereby authorized and directed to provide the Credit Provider, with any and all information relating to the District as such Credit Provider may reasonably request.

Section 21. Proceedings Constitute Contract. The provisions of the Note and of this Resolution shall constitute a contract between the District and the registered owner of the Note and the Credit Provider, if any, and such provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable. The Credit Provider, if any, is a third party beneficiary of the provisions of this Resolution and the Note.

Section 22. Limited Liability. Notwithstanding anything to the contrary contained herein or in the Note or in any other document mentioned herein, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent payable from moneys available therefor as set forth in Section 8 hereof.

Section 23. Amendments. At any time or from time to time, the District may adopt one or more Supplemental Resolutions with the written consents of the Authority and the Credit Provider, if any, but without the necessity for consent of the owner of the Note for any one or more of the following purposes:

(a) to add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any monies, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(e) to amend or supplement this Resolution in any other respect;

provided, however, that any such Supplemental Resolution does not adversely affect the interests of the owner of the Note or of the Note Participations executed and delivered in connection with the Notes.

Any modifications or amendment of this Resolution and of the rights and obligations of the District and of the owner of the Note or of the Note Participations executed and delivered in connection with the Notes may be made by a Supplemental Resolution, with the written consents of the Authority and the Credit Provider, if any, and with the written consent of the owners of at least a majority in principal amount of the Note and of the Note Participations executed and

delivered in connection with the Notes outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as the note or any or of the Note Participations executed and delivered in connection with the Notes remain outstanding, the consent of the owners of such Note or of the Note Participations executed and delivered in connection with the Notes shall not be required. No such modification or amendment shall permit a change in the maturity of the Note or a reduction of the principal amount thereof or an extension of the time of any payment thereon or a reduction of the rate of interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution, without the consent of the owners of such Note or the owners of all of the Note Participations executed and delivered in connection with the Notes, or shall reduce the percentage of the Note or the owners of all of the Note Participations executed and delivered in connection with the Notes, the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 24. Severability. In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 25. Appointment of Bond Counsel. The District approves and consents to the appointment of the law firm of Orrick, Herrington & Sutcliffe LLP, Los Angeles, California as Bond Counsel for the Program. The District acknowledges that Bond Counsel regularly performs legal services for many private and public entities in connection with a wide variety of matters, and that Bond Counsel has represented, is representing or may in the future represent other public entities, underwriters, trustees, rating agencies, insurers, credit enhancement providers, lenders, financial and other consultants who may have a role or interest in the proposed financing or that may be involved with or adverse to District in this or some other matter. Given the special, limited role of Bond Counsel described above the District acknowledges that no conflict of interest exists or would exist, waives any conflict of interest that might appear to exist, and consents to any and all such relationships.

Section 26. Appointment of Financial Advisor and Underwriter. The District approves and consents to the appointment of RBC Capital Markets, Los Angeles, California as Financial Advisor for the Program. The District approves and consents to the appointment of Lehman Brothers, Inc., together with such co-underwriters, if any, identified in the Purchase Contract, as Underwriter for the Program. The Authority is hereby authorized and directed, for and in the name and on behalf of the District, to execute an Agreement to provide financial advisor services with the Financial Advisor, in substantially the form of such agreement presented to this meeting.

hereof upon surrender of this Note as the same shall fall due; *provided, however*, no interest shall be payable for any period after maturity during which the holder hereof fails to properly present this Note for payment. If the District fails to pay this Note when due or the Credit Provider (as defined in the Resolution hereinafter described), if any, is not reimbursed in full for the amount drawn on or paid pursuant to the Credit Instrument (as defined in the Resolution) to pay all or a portion of this Note on the date of such payment, this Note shall become a Defaulted Note (as defined and with the consequences set forth in the Resolution).

It is hereby certified, recited and declared that this Note (the "Note") represents the authorized issue of the Note in the aggregate principal amount made, executed and given pursuant to and by authority of certain resolutions of the Board of the District duly passed and adopted heretofore, under and by authority of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5 of the California Government Code (collectively, the "Resolution"), to all of the provisions and limitations of which the owner of this Note, by acceptance hereof, assents and agrees.

The principal of the Note, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District for the general fund of the District and are attributable to the Repayment Fiscal Year, as defined in the Resolution, and which are available for payment thereof. The full faith and credit of the District is not pledged to the payment of the principal or interest on this Note.

The District and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the District and the Trustee shall not be affected by any notice to the contrary.
