### **RESOLUTION APPROVING ESTABLISHMENT OF TWO NO PARKING ZONES FOR SAMTRANS BUS STOPS ON HILLER STREET**

Honorable Mayor and Council Members:

#### **Summary**

The Parking and Traffic Safety Committee (PTSC) received a request from Samtrans to add two bus stops in each direction on Hiller Street near Nesbit Elementary School. Each bus stop will require a 50-foot long no parking zone to comply with the Americans with Disability Act (ADA) requirements

Staff is recommending that the City Council adopt a resolution establishing two no parking zones on Hiller Street.

#### **Background**

The Parking and Traffic Safety Committee (PTSC) received a request from Samtrans to install two bus stops in each direction on Hiller Street in the vicinity of Nesbit Elementary School. The request stemmed from a Belmont resident's complaint about having difficulty getting to the school from the current bus stops that have a significant distance between them.

#### **Discussion**

The Parking and Traffic Safety Committee has reviewed this request, performed a field investigation, discussed feasibility and location of the proposed bus stops. The original request from Samtrans proposed the bus stops to be situated on Hiller Street and Biddulph Way. However, the Police Department expressed a concern about the traffic congestion in the northbound direction of Hiller Street if the bus stops at Biddulph Way. Therefore, the City recommended the bus stop at the northbound location to be situated on Hiller Street north of Cornish Way. The southbound bus stop will be located on Hiller Street south of Biddulph Way.

In order to comply with the ADA requirements, the bus stops shall have a clear access to the curbside for wheelchairs. Therefore, Samtrans is requesting two 50-foot long no parking zones at the proposed locations of the bus stops.

#### **General Plan/Vision Statement**

No impact.

**Fiscal Impact**

Samtrans will be responsible for the installation of the appropriate signs.

**Public Contact**

Public contact included posting of City Council agenda and mailing notices to the properties within a 300-foot radius.

**Recommendation**

It is recommended that the City Council adopt a resolution establishing two no parking zones on Hiller Street.

**Alternatives**

1. Take no action.
2. Refer back to staff for further information.
