Beautiful Belmont Nomination Form

About the Awards Program:

The purpose of the Beautiful Belmont Awards Program is to recognize property owners who have enhanced the City's community by making significant exterior improvements to their individual properties. The City hopes to encourage a high standard of quality for properties and businesses in Belmont that are appealing to residents and visitors alike.

Who is Eligible:

Both residential and non-residential are eligible for consideration. In addition to new development and complete redevelopment projects, eligible improvements to existing properties include the enhancement, upgrading, reconstruction, or replacement of any or all of the following elements:

- Buildings and façades
- Landscaping
- Exterior lighting
- Vehicular and pedestrian access
- Exterior signage

How to Nominate a Project:

Nominations may be submitted by anyone, including the property owner, at any time throughout the year. The attached nomination form may be submitted to the City Manager's Office at Belmont City Hall. Additional nomination forms may be obtained at City Hall or on the City's website at www.belmont.gov.

Judging:

The Judging Committee, which is comprised of the City Manager, Planning and Community Development Director, and Finance Director, reviews the nominations and selects which properties are recognized.

The nominations are evaluated mainly by assessing their impact on the surrounding area, or on the City as a whole. In addition to the basic eligibility requirements, the Judging Committee may consider the following:

- Has the effort improved the built environment?
- Has the effort contributed to the stability or enhancement of an existing neighborhood or district?
- Does the effort set a desirable precedent for surrounding property owners?

Awards Ceremony:

Awards will be presented annually at a meeting of the City Council during the Holiday period between Thanksgiving and New Year's, or at other times deemed appropriate by the Judging Committee.

Award recipients will also be recognized with a press release. Press releases will be written to encourage future nominations.

Nominated Property:

Address: _____

Property Owner (optional):

Name: _____
Phone: _____
Email: _____

Person Making Nomination (optional):

Name: _____
Phone: _____
Email: _____

Reason for Nomination:*
