GUIDELINES FOR THE SUBMISSION AND TABULATION OF PROTESTS

Submission of Protests

1. Any property owner may submit a written protest to the City Clerk, either by delivery to the office of the City Clerk or by submitting the protest at the public hearing. Protests must be received by the end of the public hearing. No postmarks will be accepted.
2. Each protest must identify the affected property (by assessor’s parcel number or street address) and include the signature of the record property owner. Email protests cannot be accepted. Although oral comments at the public hearing will not qualify as a formal protest unless accompanied by a written protest, the City Council welcomes input from the community during the public hearing on the proposed charges.
3. If a parcel served by the City is owned by more than a single record owner, each owner may submit a protest, but only one protest will be counted per parcel and any one protest submitted in accordance with these rules will be sufficient to count as a protest for that property.
4. In order to be valid a protest must bear the original signature of the record owner with respect to the property identified on the protest. Protests not bearing the original signature of a record owner shall not be counted.
5. Any person who submits a protest may withdraw it by submitting to the City Clerk a writing request that the protest be withdrawn. The withdrawal of a protest shall contain sufficient information to identify the affected parcel and the name of the record owner or record customer who submitted both the protest and the request that it be withdrawn.
6. A charge protest proceeding is not an election.
7. To ensure transparency and accountability in the charge protest tabulation, protests shall constitute disclosable public records from and after the time they are received.

Tabulation of Protests

1. The City Clerk shall determine the validity of all protests. The City Clerk shall not accept as valid any protest if the City Clerk determines that any of the following conditions exist:
 - a. The protest does not identify a property served by the City.
 - b. The protest does not bear an original signature of a record owner of the parcel identified on the protest.
 - c. The protest does not state its opposition to the proposed charges.
 - d. The protest was not received by the City Clerk before the close of the public hearing on the proposed charges.
 - e. A request to withdraw the protest is received prior to the close of the public hearing on the proposed charges.
2. The City Clerk’s decision that a protest is not valid or does not apply to a specific charge shall constitute a final action of the City and shall not be subject to any internal appeal.

3. A majority protest exists if written protests are timely submitted and not withdrawn by the record owners of a majority of the properties subject to the proposed charge.
4. At the conclusion of the public hearing, the City Clerk shall complete the tabulation of all protests received, including those received during the public hearing and shall report the results of the tabulation to the City Council upon completion. If review of the protests received demonstrates that the number received is manifestly less than one-half of the parcels served by the City with respect to the charge which is the subject of the protest, then the Clerk may advise the City Council of the absence of a majority protest without determining the validity of all protests.
