## Youth

VOICES completed their in-house monthly service project for February by creating seed pots. Different seeds were potted including; eggplant, jalapeno, and tomato. The Teens used newspaper to house the potting soil, to go along with the seeds. The created pots will be transferred to the community garden plot located at the Barrett Community Center. The teens will then tend to the garden plot and harvest their crops!

This week at the Barrett Community Center the teens participated in a game of "3 Flies Up", plus a game of Charades. In addition this week's cooking class made Homestyle Breakfast, with scrambled eggs, toast and beef smoked sausage. The snack of the week was Smoked turkey and cheese wraps, plus fresh Gala apple slices. We will end the week with our first movie night of the month, featuring Ponyo!
