Upcoming Meetings:

Click for: [Web Agendas and Minutes](#)

- Nov 12 **Veteran's Day Observed (City Hall Offices Closed)**
- Nov 13 **City Council Meeting**
- Nov 20 **Planning Commission Meeting**
- Nov 22-23 **Thanksgiving Holiday (City Hall Offices Closed)**
- Nov 27 **City Council Meeting**

In observance of Veteran's Day, City Administration Offices will be closed Monday, November 12th.

Public Safety, Public Works emergency response and other essential services will continue through the holiday. For after hour sewer backups, contact Belmont PD @ 595-7400 For emergencies, call 9-1-1.

Second Annual Veteran's Day Event at Twin Pines Park

An event poster with a background of an American flag. The text is arranged in a grid-like fashion. On the left side, over the stars of the flag, is the text "Second Annual Veteran's Day Event". On the right side, over the stripes, is the text "Monday, November 12, 2018", "11:00 a.m.", "At the Veterans Memorial", and "Twin Pines Park, Belmont". At the bottom of the poster is a silhouette of a line of soldiers marching with gear. In the bottom left corner is the logo for California Belmont, which features a circular emblem with a landscape and the text "CALIFORNIA BELMONT" below it.

Veterans Memorial and Eric Reed Grove Preparations

Parks maintenance staff made improvements to the Veterans Memorial and the Eric Reed Grove in Twin Pines Park. Improvements included the planting of coast live oak trees and colorful native plants to fill out the grove. Part of the work included the installation of drip irrigation and an automated watering system. A plaque commemorating Eric Reed's accomplishments and dedication as a leader in the community will be installed at the site.

Please join the Belmont City Council for the naming ceremony of the Eric Reed Grove this Sunday, November 11 at 1 p.m. On Monday, November 12 at 11a.m., the 2nd annual Veterans Day Event will also take place in Twin Pines Park.

ERIC REED GROVE

*Please join the Belmont City Council
for the Naming Ceremony of the*

Eric Reed Grove

*Sunday, November 11, 2018 at 1:00 p.m.
Twin Pines Park, Belmont CA 94002
reception following the ceremony*

A true leader in the Belmont Community exemplified in his service as Planning Commissioner from 2008-2013, City Council Member 2013-2017 and Mayor 2015-2016. Eric was an advocate for establishing a Veteran's Memorial in Twin Pines Park, and on this day we commemorate his accomplishments and dedication.

"We are better because we come together and we form a Community that respects one another"

Eric Reed, on March 25, 2017, speaking in support of the Belmont Civil Rights Resolution.

City Hall Lobby ADA Compliance/Customer Service Remodel Progress

Phase II of this ADA compliance project is progressing and nearing completion. Lobby signage is scheduled to be installed next week and a new Point of Sale system has been purchased to modernize cashiering. Also, testing is in progress on large display monitors for the electronic queuing system. Painters will also return to spot paint the main stairwell, as well as any necessary touchups in the Permit Center. Staff is working on a plan to move the Permit Center back down to the Lobby, with a tentative opening later this month, which will complete Phase II. As previously reported, given the unique issues the project team has been dealing with regarding the transaction drawer for the PD after-hours window, the project was split into 3 phases. Phase III will address the PD interior lobby and the night window.

Belmont Annual Community Service Award – Call for Nominations

The City's Community Service Award is designed to recognize Belmont residents who have made significant impacts on the quality of life in Belmont.

Do you know a Belmont resident who has given significant service to the community, supported safety efforts and fostered connections in their neighborhood? Or an individual or group who has helped distinguish Belmont as a place for a variety of sports and cultural opportunities for all ages? Nominate someone you know who is making a difference in Belmont for the 2018 Community Service Award!

Nominees should exemplify one or more of the following:

- Exceptional commitment to volunteerism by helping with a special project and/or ongoing activities;
- Unselfish leadership, creativity, cooperation, and hard work in the service to others;
- Inspiration to others as a role model;
- Exemplary leadership in civic activities.

Any individual whose volunteer efforts directly benefit the Belmont community is eligible. Nomination forms are due by 5:00 p.m. on Wednesday, November 21st. Nomination forms are available online at www.belmont.gov/award, or at Belmont City Hall. The Award, along with the Annual Beautiful Belmont Awards, will be presented at the City Council Meeting on Tuesday, December 11th at 7:00 PM.

Mayor Doug Kim states, "This award is but one way the City of Belmont recognizes one individual each year who goes above and beyond the call to make our community a better place."

For more information about Belmont's Community Service Award, please call the Finance Department at 595-7433, or go to the City of Belmont website at www.belmont.gov/award.

Beautiful Belmont Awards – Seeking Nominations

The City of Belmont City Council proudly announces the upcoming 12th Annual Beautiful Belmont Awards Program. The City is calling for nominations from the community for both the Residential and Commercial categories. Awards will be presented at the City Council Meeting on Tuesday, December 11th at 7:00 PM.

This recognition program is designed to acknowledge individuals, businesses, and community groups who have enhanced the community by making significant exterior improvements to their Belmont properties. Eligible improvements include the enhancement, upgrading, reconstruction, or replacement of a property, making it more visually appealing as well as enriching the surrounding neighborhood or district.

For more information on the Beautiful Belmont Awards Program, or to submit a nomination, please visit the City's website at www.belmont.gov/beautifulbelmont, call (650) 595-7433 or e-mail at nvoelker@belmont.gov.

Belmont Creek Flood Management Engagement

San Mateo County and the Cities of Belmont and San Carlos are collaborating on the Belmont Creek Flood Management Plan. The plan will enhance the natural function of the watershed and protect people and places from flooding. Flooding occurs between Old County Road and Industrial Road and continually impacts residents and businesses. The full length of the creek has been studied and analyzed for capacity deficits, erosion, and bank stability. Today's system has capacity for the 10-year storm, which has a 10% probability of occurring any year. With community input, the Flood Management Plan is looking to protect for larger storm events. Implementing multi-beneficial flood resilient solutions for larger flood events will save the community from costly damage in future storm recovery costs.

Join us at this meeting for community members to learn more about the Belmont Creek Flood Management Plan, review potential flood management alternatives, and provide your feedback.

WHEN:

ADOPT-A-STORM-DRAIN

Take Part To Help Keep Our Waterways Clean

All storm drains in Belmont go directly to Belmont Creek and into the San Francisco Bay. In order to keep them flowing properly and to minimize localized flooding during rain events, while also protecting our waterways and keeping them clear, is key to water/flooding pollution and prevention.

A clean community is a happy community

The city has a comprehensive preventative maintenance program to inspect, monitor, and maintain 1,400 of our storm drain inlets throughout the city. Regular scheduled street sweeping is in place, with enhanced sweeping during winter months. "No Dumping-Flows To Bay" storm drain placards are installed on every storm drain. The Belmont Public Works Department has also installed trash capture devices in 69 storm drains where litter activities have been an issue.

When leaves, litter, and other harmful waste enter the storm drain, not only can it cause backups, but is unsightly in our neighborhoods. Litter and other pollutants can also harm wildlife, fish, and the environment.

The City of Belmont has started an Adopt-A-Drain Program for residents to take part in being proactive in their neighborhood.

What is Adopt-A-Drain?

Residents

Any resident can adopt a drain in their neighborhood. Just fill out the [online form](#) and select an address location of the storm drain from the Adopt A Drain map that you would like to adopt. Once you have adopted a drain, be committed to keeping the top of the grate clear of leaves and trash. Report illegal dumping and drainage, and any backups that are coming from below the grate or if the inlet below the grate has trash. Staff will come out and remove the grate to clear any blockage. Once you have signed up, you will receive an Adopt-A-Drain starter kit.

PROJECT UPDATES:

Ralston Avenue Sewer Rehabilitation Project Phase II

This week the contractor, Express Plumbing Services conducted horizontal directional drilling along Ralston Avenue between Avon St and Academy Drive in order to replace existing 630 feet of 15” clay pipe with 20” and 22” high density polyethylene pipe. The new sewer main pipes will greatly improve capacity and flow characteristics.

Next week, (November 13 – November 16, 2018), Express Plumbing Services is planning to start preparation for installation of the 24” HDPE pipe on Ralston Avenue. The pipe will be delivered on Monday and placed within the median on Ralston Avenue where it will be fused. The contractor will excavate for insertion pits as well as lateral connections. The majority of the construction will be contained within the center median. The city will continue to evaluate and modify the traffic control and will adjust accordingly at the City of Belmont discretion. Traffic and pedestrian control will be in place to help alleviate traffic congestion and pedestrian safety. Thank you for your understanding and patience during this challenging project.

Shoreway Road:

The contractor (Cratus Pipeline) will be continuing to excavate and install the new 18" PVC sewer main along Shoreway Road in the vicinity of Sem Lane. Approximately 250 feet of new pipe are expected to be installed. This work is scheduled for the week of Monday, November 13, 2018 through Friday, November 16, 2018 with extended working hours of 7:00 am – 5:00 pm. The contractor is currently working at a unique location on the project where additional measures of compaction and trench backfill need to be implemented due to some roadway settlement issues. Temporary traffic signals have been installed for afterhours traffic control, but during the normal working hours flaggers and pedestrian control will be in place to help alleviate traffic congestion and assure pedestrian safety. Thank you for your patience and understanding during this challenging project.

PARKS AND RECREATION

Learning Center Activities

BCLC children went on a walking field trip to Sunrise Senior Living for a Halloween Party. They entertained the resident with songs went Trick or Treating. The children took home many yummy treats. Mr. Hale, our volunteer, was also on site and he read books to the children and residents.

Free Hearing Tests for the Public

Hearing loss is the third most prevalent health issue in older adults, after arthritis and heart disease. Hearing loss can also contribute to cognitive decline; studies show 30-40% increased decline over 5 years than that of their normal hearing peers. On Wednesday, November 7, Songs for Sound, Phonak and Cochlear® brought the hearing buss to Twin Pines Park to provide free hearing tests to anyone in the community. About 60 people performed this test and were able to take home information on resources available for those with hearing loss.

Coats for Kids

Recology will be collecting gently used and new coats for those in need. Coats can be dropped off at City Hall in the main lobby as well.

Curbside Collection & Drop Off November 5 - 9, 2018

To help those in need, Recology San Mateo County drivers will be picking up gently used and new coats from residents on their regular collection day from

Monday, November 5th to Friday, November 9th
throughout the **RethinkWaste Service Area***.

Please place coats in a clear plastic bag labeled "Coats for Kids" and set out next to or on lid of your blue Recycling Cart on your regular collection day.

Coats can also be dropped off at various locations in the RethinkWaste service area* between November 5-16.

For drop-off locations & more information, visit Recology.com

***RethinkWaste service area:** Atherton, Belmont, Burlingame, East Palo Alto, Foster City, Hillsborough, Menlo Park, Redwood City, San Carlos, San Mateo, parts of Unincorporated San Mateo County, West Bay Sanitary District
