Permit Revocation

Any permit granted hereunder may be revoked or suspended by the City Manager, Building Official, director of Public Works or Police Chief for failure to comply with any of the terms of that division or the terms of such permits, by mailing notice in writing to the permittee at the address shown in the application or by personal service of such written notification to the permittee. The revocation or suspension shall be effective upon the mailing of the formal written notice or personal service of the same. In the event that any grading for which a permit has been granted hereunder is not commenced within the period specified in the permit or in the even that such grading is not completed within the number of days allowed for grading, such permit shall automatically expire without notice and no further grading shall be made; however, the conditions expressed in such permit shall remain binding upon the person to whom such permit was issued and all legal and equitable remedies shall be available against him/her for any breach thereof. The granting of this permit shall not be deemed to authorize the doing or omission of any act contrary to any term, provision, ordinance or license (Belmont City Code Sec. 14-95).
