## Community Events

Interested in hosting your own event? We can add it here to our list! There are two ways you can create your own event or offering:

### **Community Activity Proposals**

We are developing a small grants program to support community-led activities such as a Home Tour, Garden Tour, cookbook project, block parties, and history walks. We'd love to work with the community to explore ways to collaborate on or lead these special activities.

[Fill out this survey](#) to have your activity proposal reviewed by City of Belmont staff.

### **100 Celebrations**

Belmont is turning 100 and we are celebrating 100 times as a community during our Centennial year in Belmont! Host a dinner with neighbors, plan a walk, throw a coffee or happy hour, whatever brings you together to connect, share stories, and celebrate our history counts as one of the 100.

Let us help you make it official. Pick up a Centennial party bag (cups, napkins, stickers, small swag offerings) while supplies last and add a little extra sparkle to your gathering.

To participate, simply email us at [centennial@belmont.gov](mailto:centennial@belmont.gov) to tell us about your celebration. We will keep a running tally and announce when we reach 100 community celebrations! If you are up for it, please email us your photos as well! Happy celebrating, Belmont!
